## junior front-end developer & designer

### EXPERIENCE

After a few years in contemporary art, in 2020 I decided to transition into web development. I am especially interested in front-end and UX/UI roles that bring together creativity and technical skills.

2022	<b>GOTOMBOLA</b> <b>Front-End Developer</b> Motion design ~ Video development with Remotion
2022 2021	<b>METABOLIC</b> <b>Front-End Intern</b> Vue.js ~ Vuex ~ Cross-browser testing Accessibility ~ SVG animation ~ Responsive web development ~ Assisting with usability testing
2021	<b>PHPPRO</b> <b>Front-End Intern</b> React ~ ApexCharts ~ Storybook ~ Mockup
>> 2020	<b>WOMEN.CODE(BE)</b> <b>Volunteer</b> Newsletter ~ Blogposts
